

2018 CBS BANQUET AT UC DAVIS

Save the Date! The 2018 Annual Banquet & Mixer of the California Botanical Society will be held at the UC Davis Arboretum and Public Garden on Saturday, April 14, 2018. The CBS Council is delighted to report that Dr. Maureen Stanton (Distinguished Professor Emerita in the Department of Evolution and Ecology, UC Davis) will be delivering the evening's presentation. Details regarding the banquet's time and location, the title of Dr. Stanton's talk, registration and payment, and recommendations for lodging will be announced on the CBS website (calbotsoc.org) early in 2018. Field trips will also be offered during the weekend of the banquet. If you are interested in leading a field trip,

please send a description of your prospective trip (including the maximum number of participants) to our local organizer, Dr. Shannon Still (still@ucdavis.edu). Note that the CBS website is currently being upgraded and enhanced to facilitate interactions among our members, so please be on the alert for email messages regarding the launching of the new website and further details about the banquet weekend.

—SUSAN J. MAZER, President, California Botanical Society, Department of Ecology, Evolution and Marine Biology, University of California, Santa Barbara, 93106, mazer@lifesci.ucsb.edu.
